favorites, now online:**

#### AC Vector Drives

- P2 Series AC drives ship standard with conformal coating
- Safe Torque Off
- IP20, NEMA 12, and NEMA 4X
- 230, 460, and 575VAC models
- Ratings through 400HP
- Solar version available with MPPT tracking
- [drive.web](#) peer-to-peer Ethernet connectivity for real time communication between drives
- **IN STOCK!**

### AC Sensorless Vector Drives

- E3 Series drives are available in an outdoor rated NEMA 4X package through 30HP
- IP20 ratings through 50HP
- Single Phase in and Single Phase out
- 115, 230, and 460VAC models
- Reverse PID for solar applications
- *drive.web* peer-to-peer Ethernet connectivity for real time communication between drives
- IN STOCK!

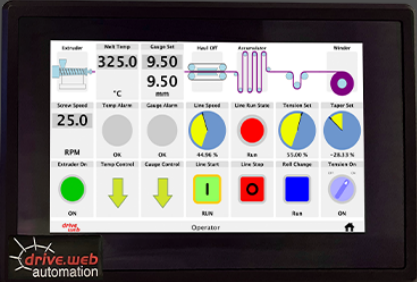

### DC Drives

- Complete range of regenerative and non-regenerative DC drives, single and three phase input, with wide ranging current and voltage ratings.
- Available with fuses and contactors built in
- Up to 2000HP available for same day shipment
- *smarty dw240* peer-to-peer Ethernet connectivity for real time communication between drives
- IN STOCK!

**drive.web Automation Controllers with I/O**

- High resolution analog I/O
- Ample digital I/O
- Frequency inputs (100kHz)
- Encoder inputs (500kHz)
- Pulse outputs (1MHz)
- Multiple motion control functions built into a DIN rail mounted package
- **IN STOCK!**

**drive.web Touch Screen Operator Stations**

- Plug and play, drive.web native
- NEMA 4 (IP65) splash-proof front
- IP20 rear
- Easy set up, competitively priced
- Crisp, high visibility graphics
- 1 Ethernet port 10/100baseTX
- Power supply 24VDC
- Working temp: -4 to 158F
- 5, 7, and 9.7" touch screens available
- **IN STOCK!**

**and so much more!**

**Catalog items are typically *IN STOCK*  
and ready to ship same day  
(for orders placed before 4pm EST)!**

Please call to confirm availability.
